Saturday 21 June – Sunday 28 September 2008

Soar high above the World Heritage Site at Maritime Greenwich this summer in a state of the art Observation Wheel, taking in breathtaking views from the home of the Prime Meridian. The Wheel visits the Old Royal Naval College for three months, giving visitors the chance to enjoy the spectacular panoramic views of the eastern and western hemispheres of the world whatever the weather, from the comfort of their air-conditioned capsules. The Greenwich Wheel is open from Saturday 21 June to Sunday 28 September daily from 10am-10pm.

Visitors will fly 60 metres above historic Greenwich with 360-degree views of the World Heritage Site beyond St Paul's Cathedral and the Tower of London to the west, across the river and past Canary Wharf to the heights of Hampstead Heath, and east to the Olympic site in the Lea Valley. Featuring the cutting edge in Observation Wheel technology and beautifully illuminated by night, the Greenwich Wheel offers an unforgettable and awe-inspiring experience for everyone, and a unique venue for a special celebration or event.

Each of the 36 observation capsules on the Wheel can seat up to 6 adults and 2 children in comfort or for the ultimate flight to remember, a VIP Champagne Capsule can be booked featuring leather seats, glass floor and DVD player, seating up to 4 persons. Each flight will encompass a number of rotations and will last approximately 12 minutes.

Bookings for the Greenwich Wheel can be made at www.greenwichwheel.com or can be booked in person at the Wheel from 21 June, between 10am-10pm subject to availability. It is anticipated that weekends will sell-out extremely quickly so advance booking is recommended to avoid disappointment.
